

## Belt Drive Fans

### GASOLINE POWERED BELT DRIVE FANS

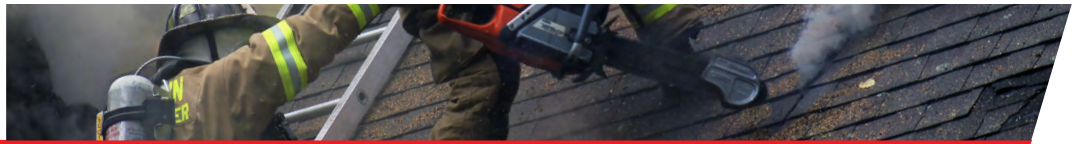

From Tempest Technology

- ✓ **Best In Class Gasoline Engine** Available with Honda® GX OHV engine installed low on the frame for the highest possible CFM.
- ✓ **Low Center of Gravity** for increased stability and smoother operation
- ✓ **Welded Steel Roll Cage Frame** Welds eliminate the need to continuously maintain/tighten nuts and bolts.
- ✓ **Turbo 2000 Shroud** has redesigned the inward curve and front of the shroud, which increases air velocity up to 30%.
- ✓ **AirFlex Composition Impeller** Uniquely designed impellers deliver maximum air volume (CFM).

Best In Class Gasoline Engine

### Options

Item #	Description	Blade Size	HP	Weight	Height	Width	Depth	CFM
910-1020	BD-16-H-4.8- Honda GX160	16"	4.8	97 lbs.	21.75"	20.5"	19.75"	12,008
910-1040	BD-18-H-4.8- Honda GX160	18"	4.8	101 lbs.	24.25"	22.75"	21"	14,773
910-1060	BD-21-H-5.5- Honda GX200	21"	5.5	112 lbs.	26.25"	25"	21"	20,523
910-1081	BD-27-H-13- Honda GX390	27"	13.0	165 lbs.	32.5"	30.75"	24.75"	26,500

### Specifications

Motor	4.8HP Honda Gx120 Motor or 5.5HP Honda Gx200 Motor or 13HP Honda Gx390 Motor
Power Output	4.8HP / 3.6 kW or 5.5HP / 4.1 kW or 13HP / 9.7 kW
Fuel Capacity	0.82 gallons / 3.1 Liters
Recommended Fuel	(R+M)/2 - 87 Octane Gasoline or Better
Oil Capacity	0.61 gallons / 0.58 Liters
Impeller	7 blades at 16 inches / 410 mm
Run Time	90 Minutes
Warranty	Gasoline - Fan (5 Years), Engine (2 Years)
