

Direct Drive Fans

GASOLINE POWERED DIRECT DRIVE FANS

From Tempest Technology

- ✓ **Best In Class Gasoline Engine**
Available with your choice of either a Honda® GX Series or Briggs and Stratton® OHV engine.
- ✓ **Welded Steel Roll Cage Frame** Welds eliminate the need to continuously maintain/tighten nuts and bolts.
- ✓ **Turbo 2000 Shroud** By redesigning the inward curve and front of the shroud, the Turbo 2000 increases air velocity by up to 30%.
- ✓ **AirFlex Composition Impeller** Uniquely designed impellers deliver maximum air volume (m3/h) from each Tempest Power Blower™.

Tempest Direct-Drive positive pressure ventilation fans offer the ideal combination of value, performance and durability. All models feature an overhead valve engine that delivers incredible reliability. The 18" and 21" Tempest Direct-Drive Power Blowers™ are the most popular positive pressure ventilation (PPV) units in the world.

Fold-Down Handle
